

Mapleton Gun Club Newsletter Jan 01, 2025

Wishing everyone a safe and prosperous new year. A reminder if you have not already renewed your membership you have till the end of March, or the price goes up.

Many clubs around us have started raising their membership prices due to inflation. With your timely renewal we hope to avoid that. Your membership allows us to continue to function we have had water well and other plumbing problems this year. Its not cheap to repair we can tell you that, but our founders must have done a decent job back in the fifties to last this long. We hope to get back to improving the range and ordering targets, but man plans, and God laughs is correct.

Upcoming dates to remember

**January 12<sup>th</sup> 2025** Tri County trap league starting at 9:00am ending probably 1:00pm.

No rifle or pistol shooting till completed

9:00am Louisville #1, Louisville #2, Louisville #3
